

**TEAM BUILDING AND Ed-blocs EXPLORING WORK SHEET**

TEAM / GROUP	NAMES	ROLES
TEAM LEADER		The leader is chosen by rolling a dice - highest number becomes the leader. Only those who haven't been a leader get to roll the dice. The leader takes control of the team and delegates by his decision who does which role. It is his responsibility to ensure everyone has a chance to express ideas to the team and that only one person speaks at a time - deciding who has the talking stick (wooden spoon).
DATA RECORDER		Records all information / results for the team on this work sheet.
CARD READER		Holds and reads Ed-blocs cards for the team. Note Ed-blocs information cards are not to be used during the teams first attempt. Students are to work as a team to explore its function for themselves.
Ed-blocs HANDLER		Controls all handling and connecting of Ed-blocs for the team.
HANDLER ASSISTANT		Assists and takes directions from the Ed-blocs HANDLER
RESULT PRESENTER and TIME KEEPER		Presents the teams findings and conclusions to the teacher and other teams / students. Advises the team the time left. For example teams are allocated 15 minutes to explore an Ed-blocs, so each 5 minute express to the team 10 minutes to go, 5 minutes to go.
